Mechanical Requirements

Ad materials should be supplied as electronic files. High-resolution (300 dpi), CMYK Adobe Acrobat files (with embedded fonts) are preferred. The publication trims at 8.375" x 10.875". Full page ads may bleed at 1/8". Please constrain live matter to an area of 7" x 10" to ensure that copy does not trim.

Space Contracts are due on the 1st of the month prior to the month to be run and materials are due on the 15th of the month prior to the issue month (i.e. if your ad is to run in December, your Space Contract is due November 1 and your materials are due November 15). For all advertising questions, please contact Melanie McKnight at 561/750-8558 ext. 201 or via email at m.mcknight@magellanmanagement.com
